Welcome to your Tesco Pet Insurance policy

This policy is a legal contract between you and us, the policy wording and policy schedule make one document and must be read together. Once you are happy that the information is correct and that the cover is what you need please keep your policy and schedule together.

Our part is:

- that we'll provide the cover set out in this policy for the policy period set out on the policy schedule.

Your part:

- you must pay the premium as shown on the policy schedule for each policy period;
- you must meet the conditions set out in this policy.

If your part of the contract is not met, you may not have any cover, we may turn down a claim or increase the premium.

We can choose not to offer renewal of a policy, if we do, we would let you know at least 21 days in advance of your renewal date so that you have enough time to make alternative insurance arrangements.

This cover includes cover for both ongoing and short term health issues.

All cover types – what we need you to do, to help us help you

We provide a fast and efficient service to make sure payment is made as quickly as possible. To help **us** to do this, please read this section, it tells **you** about the information **we** need.

To make a claim please visit www.tescobank.com/pet-insurance/making-a-claim/ or phone **us** on **0345 078 3860**.

Please tell **us** if it's a third party claim form **you** need.

Please tell **us** the policy number that is printed on **your** policy schedule every time **you** contact **us**.

Parts of this form will need to be completed by **your vet**, please make sure that the form is signed by **you** and **your vet** and that **you** tell **us** if **you** want **us** to make payment to **you** or straight to **your vet**. **We** can arrange to pay most **vet**s directly. Please ask **your vet** if they are happy to do this, and if **we** are able to, **we** will take care of the rest.

Please send **us** **your** claim form within 90 days of the first treatment for each new illness or **accident**.

If **your vet** tells **you** that **your pet** will need treatment over a few visits **you** do not need to send each invoice to **us** separately, **you** can send them all to **us** with one completed claim form within the 90 day period.

You need to keep all invoices and receipts that **your vet** gives **you** in connection with **your** claim and send these along with a complete medical history for **your pet** to **us**. This must be a record of all visits **your pet** has made to a **vet** and this information can be obtained from each **vet** practice **your pet** has attended.

If **your pet** needs ongoing treatment, **you** can send in further claims including updated medical records showing the treatment **your pet** has received, invoices and receipts, every 3 to 6 months. If any information **we** have asked for is not provided it will delay **your** claim. If **your pet** needs to be treated by a referral **vet**, and it is not for emergency treatment, **you** can use the following ways to find **your** nearest **vet** from our preferred referral **vet** network:

- **your** usual **vet** will have details and can let **you** know which referral **vet** from **our** preferred referral **vet** network is closest to **you**;
- details of the **vet**s in our preferred referral network can be found on www.tescobank.com/pet;
- **you** can contact the Tesco Vet Referral Helpline on **0330 100 6460**;

If **you** choose a referral **vet** from outside **our** network, **you** will need to pay £200 of the referral **vet** bill yourself. This amount is in addition to **your** policy excess.

If **your pet** needs emergency treatment for a situation that if not resolved immediately will lead to a loss of life or cause a serious threat to the present or ongoing health of **your pet** **you** will not have to pay the additional £200 excess regardless of which referral **vet** **you** visit.

Treatment by a referral **vet** occurs when **your** usual **vet** advises **you** that **you** need to go to another **vet** for a certain procedure, for example a surgery or treatment. **You** might be asked to visit a different veterinary centre, hospital, practice, or another branch of **your** existing practice. After a referral visit and any required treatment has taken place, it is normal for future visits to be with **your** usual **vet**.

You need to agree that **your** current, previous or referral **vet** may release information or records regarding the medical history, including test results for any **pet** insured with **us**. If **your pet** is referred to another **vet**, **we** need copies of any reports the referral **vet** completes.

We may ask **your vet**, to provide an opinion on whether conditions are connected, and the date changes in the health or behaviour of **your pet** started. While **we** are providing help **we** may need to release information about **your pet** insurance policy to any **vet** who has treated **your pet** or is about to treat **your pet**.

If there is any amount other than the excess that **we** can't pay because the costs are not covered by **your policy**, **we** would tell **you** about this. **You** need to pay **your vet** yourself for these.

Please make sure **you** read the policy conditions, claim conditions and exclusions.

Conditions that apply to your policy

- **Your pet(s)** live with **you** at **your home** address;
- **You** are the owner and keeper of each **pet**;
- **You** and **your pet(s)** live in the UK, Isle of Man or Channel Islands;
- **You** have never had an insurance policy declared void or cancelled by an insurer.

Both dogs and cats

- No **pet** is less than eight weeks old when its cover starts.

- No dog is trained to attack, used for security purposes or as a guard dog or is used for fighting or any form of racing.
- No dog is a pedigree, cross or mixed breed of any of the following: Pit Bull, Pit Bull type, Japanese Tosa, Fila Brasileiro, Dogo Argentino, American Bulldog, Wolf or Wolf hybrid or of any breed not on our breed list unless we have agreed to cover it.

Changes in the information we have about you and your pet

You must tell us within 30 days of knowing about any of the following changes. These changes may affect the price of **your pet** insurance and the cover **we** can provide. If **we** are not told, **your** claim payment may be reduced or not be made. **Your** policy may be cancelled; and **you** may not receive a refund of premium.

About you and your pet

- **you** are going to move home;
- **you** are no longer the owner of the **pet**;
- **your pet** stops living with **you** at **your** home;

Dogs only

- **your pet** is used for racing;
- **your pet** has had complaints made about its behaviour (aggression, biting or attacking);
- **your pet** has been the cause of an accident or legal action;
- **your pet** has been trained to attack;
- **your pet** is used for security purposes or as a guard dog or for fighting.

Both dogs and cats

- **your pet** is used as a business or to make money or earn an income;
- **your pet** is used for commercial breeding (this means used for breeding more than 2 times in the **pet's** lifetime);
- **you** become aware that **your pet** is not the breed **you** thought and it is no longer correctly described on **your** schedule.

Fraud

If dishonesty, exaggeration or false documentation is used by **you** and **your family** or anyone acting on behalf of **you** or **your family** to obtain or support:

- a claims payment under **your** policy; or
- cover for which **you** do not qualify; or
- cover at a reduced premium;

all benefits under this policy will be lost, the policy may be invalid, **you** may not be entitled to a refund of premium and legal action may be taken against **you**.

Financial sanctions

We shall not provide any cover or be liable to provide any indemnity, payment or other benefit under this **policy** to the extent that the provision of such cover, indemnity, payment or other benefit would expose **us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States or other country of policy issue. If any such resolution, sanction, law or regulation takes effect during the **policy period** **we** may cancel this policy immediately by giving **you** written notice at **your** last known address.

Adding or removing a pet

You may add or remove a **pet** from **your** policy at any time, subject to **our** agreement, and **we** may charge **you** for this change.

Policy payments

If **you** decide to pay **your** premium in monthly instalments **we** continue to take payments unless **you** tell **us** to stop.

If **we cannot** collect an instalment payment a default letter will be sent to **you**, telling **you** that payment can't be made and giving **you** at least 17 working days notice of the final date by when **we** need to receive **your** payment or new payment instructions.

The default letter will also tell **you** that if a payment/new instruction aren't received by this date **your** policy will be cancelled. If it is **we** notify **you** in writing that the cancellation has taken place.

Each year **we** write to **you** before the renewal date of **your** policy to let **you** know about any changes to **your** premium or policy terms.

If **you** want to cancel payment by monthly instalments but not **your** policy, **we** can tell **you** how much **you** have to pay for the rest of the **policy period**. If this amount is not paid by the date given in our reply to **you**, then all cover under **your** policy will be cancelled from this date.

Changing cover levels

If **we** agree to a change in **your vet fees** cover level, the change will apply from the renewal date of **your** policy and will only apply to new illnesses or **accidents** after the renewal date.

Changing your policy and premium

At renewal **your** excess, policy benefits and terms and conditions can alter. The price of **your** insurance will rise at renewal as **your pet** gets older. In fact **our** claims data shows that the cost of looking after **your pet's** health doubles every four to five years. A claim being paid can cause **your** renewal price next year to double. This is because the likelihood of a claim increases with age and previous claims. **We** will tell **you** about any proposed changes to **your** policy in

advance of **your** renewal date. It's important **you** budget for renewal prices to increase as **your pet** gets older. How much they go up is different for everyone and depends on things like **your pet's** breed, their age and health, and there is no limit to how much **your** renewal price can increase over time. If **you** are not happy with the proposed changes **you** may cancel **your** cover.

Conditions that apply to claims

These are the claims conditions that **you** need to keep to as **your** part of this contract. If **you** don't, a claim may be rejected or payment could be reduced.

Other Insurance

We won't make any payment for any claim that results from an incident covered by other insurance, except as set out under Third party Liability.

Claim negotiation

You mustn't settle, reject, negotiate or offer to pay any Third Party Liability claim **you** made or intend to make under this policy without **our** written permission.

Referral vet visits

If **your pet** needs to be treated by a referral **vet**, **your** usual **vet** will let **you** know which referral **vet** from our preferred referral **vet** network is closest to **you**. If **you** choose a referral **vet** from outside **our** network, **you** will need to pay £200 of the referral **vet** bill yourself. This amount is in addition to **your** policy excess.

If **your pet** needs emergency treatment for a situation that if not resolved immediately will lead to a loss of life or cause a serious threat to the present or ongoing health of **your pet you** will not have to pay the additional £200 excess regardless of which referral **vet you** visit.

Details of the **vet**s in **our** preferred referral network can be found on www.tescobank.com/pet. If **you** need help or advice about which **vet** to visit, please contact the Tesco Vet Referral line on **0330 100 6460** before an appointment is made.

- take over the defence or settlement of any claim;
- start legal action to get compensation from anyone else;
- start legal action to get back from anyone else any payments that have already been made.

You must help **us** to take legal action against anyone or help **us** defend any legal action if **we** ask **you** to. **You** can't transfer **your** interest in this policy to anyone else without **our** permission.

Care of your pet

It is **your** duty as the owner of **your pet** to manage **your pet**'s weight by taking advice and making yourself aware of the acceptable weight range for **your pet** at the various stages of its life, **you** must take steps to prevent or reduce the increased health risk that being overweight or underweight can bring. If **you** need help or advice contact vetfone on **0800 197 4949** or ask **your vet**.

You must take care of **your pet** at all times and pay to have treatment recommended by a **vet** to prevent illness or injury.

Data protection laws require us to meet certain conditions before we are allowed to use your personal information in the manner described in this Privacy Notice. To use your personal information, we will rely on one or more of the following grounds:

Performance of contract

We need to use your personal information in order to provide you with the policy (which is a contract of insurance between you and us), and perform our obligations under it (such as making payments to you in respect of a claim made under the policy).

Consent

In certain circumstances, we may need your consent unless authorised by law in order to use personal information about you which is classed as "special categories of personal data".

Necessity to establish, exercise or defend legal claim

If you, or we, bring a legal claim (e.g. a court action) against the other, we may use your information in either establishing our position, or defending ourselves in relation to that legal claim.

Compliance with a legal obligation

Where laws or regulations may require us to use your personal information in certain ways.

Legitimate Interests

We will also process your personal information where this processing is in our "legitimate interests". When relying on this condition, we are required to carry out a balancing test of our interests in using your personal information (for example, carrying out market research), against the interests you have as a citizen and the rights you have under data protection laws. The outcome of this balancing test will determine whether we can use your personal information in the ways described in this Privacy Notice. We will always act reasonably and give full and proper consideration to your interests in carrying out this balancing test.

Where else do we collect information about you?

Where possible, we'll collect your personal information directly from you. However, on occasion we may receive details about you from other people or companies. For example, this might happen if:

- It was supplied to us when you purchased an insurance product or service that is provided by us in partnership with other companies; or
- It was lawfully collected from other sources (e.g. Claims and Underwriting Exchange) to validate the information you have provided to us.

We request those third parties to comply with data protection laws and to be transparent about any such disclosures. If you would like some further information, please contact us.

Will we share your personal information with anyone else?

We do not disclose your information outside of RSA except:

- Where we need to check the information you gave to us before we can offer you an insurance product;
- Where we are required or permitted to do so by law or relevant regulatory authority (e.g. fraud detection/prevention);
- Where we provide insurance services in partnership with other companies;
- In the event that we are bought or we sell any business or assets, in which case we will disclose your personal information to the prospective buyer of such business or assets;
- As required to enforce or apply this Privacy Notice, or the contract of insurance itself;
- Within our group for administrative purposes;
- If we appoint a third party to process and settle claims under the policy on our behalf, in which case we will make your personal information available to them for the purposes of processing and settling such claims;
- With our third party service providers (including hosting/storage providers, research agencies, technology suppliers etc.);
- With our reinsurers (and brokers of reinsurers) in connection with the normal operation of our business;

Sometimes your personal information may be sent to other parties outside of the European Economic Area (EEA) in connection with the purposes set out above. We will take all reasonable steps to ensure that your personal information is treated securely and in accordance with this Privacy Notice, and in doing so may rely on certain "transfer mechanisms" such as the EU-US Privacy Shield, and the standard contractual clauses approved by the European Commission. If you would like further information please contact us.

Which decisions made about you will be automated?

Before we can offer you an insurance product or service, we may need to conduct the following activities, which involve automated (computer based) decision-making:

- **Pricing and Underwriting** – this process calculates the insurance risks based on the information that you have supplied. This will be used to calculate the premium you will have to pay.
- **Automated Claims** – some small claims may qualify for automated processing, which will check the information you provide, resulting in a settlement or rejection of your claim.

The results of these automated decision-making processes may limit the products and services we can offer you. If you do not agree with the result, you have the right to request that we perform a manual reassessment using the same information that you originally provided. If you wish to do so please contact us.

For how long will we keep your information?

Your personal information will be retained under one or more of the following criteria:

- Where the personal information is used to provide you with the correct insurance cover, which will be kept as long as it is required to fulfil the conditions of the insurance contract.
- Where the use of your personal information for a specific purpose is based on your consent, it will be kept for as long as we continue to have your consent.
- Where, for a limited period of time, we are using some of your information to improve the products or services we provide.
- For as long as your information is required to allow us to conduct fraud and/or criminal checks and investigations.

Your information is incorrect what should you do?

If you hold a product or service with us and think that the information we hold about you is incorrect or incomplete, please contact us and we will be happy to update it for you.

What are your rights over the information that is held by RSA?

We understand that your personal information is important to you, therefore you may request the following from us to:

1. Provide you with details about the personal information we hold about you, as well as a copy of the information itself in a commonly used format. [Request Ref: DSR 1]
2. Request your personal information be deleted where you believe it is no longer required. Please note however, we may not be able to comply with this request in full where, for example, you are still insured with us and the information is required to fulfil the conditions of the insurance contract. [Request Ref: DSR 2]
3. Request the electronic version of the personal information you have supplied to us, so it can be provided to another company. We would provide the information in a commonly used electronic format. [Request Ref: DSR 3]
4. Request to restrict the use of your information by us, under the following circumstances [Request Ref: DSR 4]:
 - a. If you believe that the information we hold about you is inaccurate, or;
 - b. If you believe that our processing activities are unlawful and you do not want your information to be deleted.
 - c. Where we no longer need to use your information for the purposes set out in this Privacy Notice, but it is required for the establishment, exercise or defence of a legal claim.
 - d. Where you have made an objection to us (in accordance with section 5 below), pending the outcome of any assessment we make regarding your objection.

5. Object to the processing of your data under the following circumstances [Request Ref: DSR 5]:
 - a. Where we believe it is in the public interest to use your information in a particular way, but you disagree.
 - b. Where we have told you we are using your data for our legitimate business interests and you believe we shouldn't be (e.g. you were in the background of a promotional video but you did not agree to be in it.)

In each case under section 5 above, we will stop using your information unless we can reasonably demonstrate legitimate grounds for continuing to use it in the manner you are objecting to.

If you would like to request any of the above, please contact us and submit a written request, including the request reference (e.g. DSR 1), as this will speed up your request. To ensure that we do not disclose your personal information to someone who is not entitled to it, when you are making the request we may ask you to provide us with:

- Your name;
- Address(es);
- Date of birth;
- Any policy IDs or reference numbers that you have along with a copy of your photo identification.

All requests are free of charge, although for requests for the provision of personal information we hold about you (DSR1) we reserve the right to charge a reasonable administrative fee where, we believe an excessive number of requests are being made. Wherever possible, we will respond within one month from receipt of the request, but if we don't, we will notify you of anticipated timelines ahead of the one month deadline.

Please note that simply submitting a request doesn't necessarily mean we will be able to fulfil it in full on every occasion – we are sometimes bound by law which can prevent us fulfilling some requests in their entirety, but when this is the case we will explain this to you in our response.
